OPTIONAL SHORE TOURS

During the course of your upcoming cruise, you will have the opportunity to join your Papapietro Perry fellow cruisers and winery hosts on three exclusive Food & Wine Trails optional shore excursions.

On your first tour from the port of Sorrento, Italy, you will have a truly special day spent with renowned Master Chef Peppe Guida. Visit his private villa for a tour, chef's demo and dining on the terrace for lunch and local wines. Next, from Santorini, you'll explore the cities of Fira and Oia. Enjoy a tasting at an internationally recognized winery with beautiful vineyard views followed by a wine-paired lunch. On the last tour, spend an evening in the heart of the mesmerizing city of Istanbul. Set out on a guided tour of Taksim Square, Istiklal Avenue and the Resat Balik Fish Market, ending at a modern Turkish restaurant for a wine-paired dinner with stunning views of the city as your backdrop.

These shore excursions are available exclusively to the guests of Papapietro Perry. Enclosed you will find full tour descriptions, a tour registration form, and comments from past cruisers praising Food & Wine Trails tours as "the highlight" of their trip.

We highly recommend booking early as tours are limited in capacity and tend to sell out quickly!

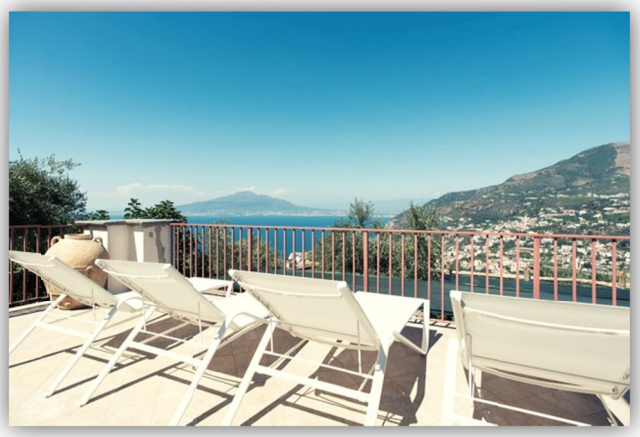
An Afternoon with Sorrento's Star Chef: Peppe Guida

Port: Sorrento, Italy | Wednesday, June 10, 2020 | 10:00 am – 5:00 pm*

The Amalfi Coast of southern Italy has been noted for its dramatic cliffs and rugged beauty since Greek and Roman times. Today travelers flock to this coastline to experience the remarkable views, colorful buildings, and excellent restaurants and shops that line the water's edge. Your visit today will be on the Sorrentine Peninsula for a very special experience hosted by Master Chef Peppe Guida, with a visit to his personal villa, organic farm and culinary school that overlooks Mount Vesuvius and the Bay of Naples.

Peppe Guida

Chef and cookbook author Peppe Guida is owner and creater of Michelin starred restaurant *Antica Osteria Nonna Rosa* located just outside Sorrento. He currently has his own Italian cooking show and is set to be featured in an episode of the acclaimed Netlfix series *Chef's Table*. His culinary perspective displays a balance of new and old, rooted in local traditions yet innovative and ambitious, all while showcasing superior ingredients, most of which come from his farm located at his private estate *Villa Rosa*. Today you will visit *Villa Rosa* led by Peppe himself for a truly exclusive, full sensory experience.



Villa Rosa Terrace View

After disembarking the ship in the morning, your day will start with a guided walk in the lively and picturesque town of Sorrento. After some free time to explore and shop, you will drive a short distance up to *Villa Rosa* which sits on the iconic terraced landscape of Sorrento. With Chef Peppe sharing his culinary journey and inspirations, visit his organic farm that produces seasonal vegetables, herbs, citrus, olive oil, and other ingredients for his restaurants. Chef Peppe will then present a demonstration followed by a wine-paired lunch on the terrace with local wines hand selected by Chef Peppe himself. Amazing Wines & Views of Santorini

Port: Santorini, Greece | Friday, June 12, 2020 | 10:30 AM – 4:30 PM*

Taste the amazing wines of one of Santorini's most internationally recognized wineries! *Domaine Sigalas* is the first Greek winery ever to be included in Wine Spectator's annual list of "Top 100 Wines."

"One sip of this wine fills me with the same feeling I have when the ferry approaches Fira…both the view and the wine are breathtaking in their size and beauty."

***-Wine & Spirits,* Fall 2015**

Views from Santorini

Santorini's vineyards were shaped the same way the island's awe-inspiring topography was – by a giant volcanic eruption about 3,600 years ago. The eruption blanketed the island with light pumice gravel, sand, and black lava stone – which eventually helped the grapes become resistant to the phylloxera epidemic that wiped out most of Europe's vineyards in the late 19th century. As a result, most of the vineyards covering this stunning island are of their original rootstock and more than 100 years old.

You will begin your day on the northernmost part of the island at *Domaine Sigalas*, home to some of the oldest vineyards in the world. Sample a variety of stunning wines within their intimate tasting room or on the patio with a beautiful view of the vineyards.

Restaurant at Laokasti Villa

You will then head to *Laokasti Villa* to dine under their rooftop pergola for a wine-paired lunch of Greek specialties. After lunch you will have free time to explore the picturesque village of Oia. Revel in the beautiful cobblestone streets lined with charming whitewashed houses delved into the porous volcanic rock overlooking the deep blue Caldera Bay.

Next you will head to the capital city of Fira. Here you will have plenty of time to explore on your own. Your guide will provide you with sight-seeing and shopping recommendations as well as restaurants should you choose to dine off the ship this evening. Fira is filled with shops, cafes and museums nestled into the winding lanes that overlook the bay. You can return to the ship at anytime via a cable car ride down to the pier where the ship's tender boats await you.

Per Person Price: $299 per person

Tour Includes: English-speaking sommelier guide, transportation, bottled water on bus, winery tour and tasting, wine-paired lunch, and ticket for cable car ride.

Not Included: Gratuities for guide and driver and all items of a personal nature.

Activity Level: Medium - extensive walking, at times over uneven surfaces. Wheelchairs not recommended. Inform your Travel Advisor of any mobility issues.

Travel Insurance: F&WT highly encourages protecting your travel investment in case of an emergency requiring you to cancel your trip. Beyond Turkish Delight

Port: Istanbul, Turkey | Tuesday, June 16, 2020 | 4:00 PM – 9:30 PM*

Istanbul Harbor

At the border of Europe and Asia, Istanbul serves as a crossroad of culture. Formerly known as Constantinople, this active metropolis blends both traditional and new and is the 5th most populous city in the world. Step into the golden ages of the Ottoman, Byzantine and Roman empires and marvel at this cultural convergence of East and West.

After meeting your local guide at the pier, journey into the heart of this mesmerizing city to Taksim Square, the popular center of city life and a symbol of the modern republic founded nearly 100 years ago. Continue on foot to Istiklal Avenue, one of the most historically important avenues in the city. A hive of social activity and once the favorite gathering spot of Istanbul's crème de la crème, it is now a bustling yet pleasant pedestrian thoroughfare lined with modern shops, galleries, cinemas, restaurants and bars.

Firuze Restaurant

Your stroll along the avenue will bring you to the Resat Balik Fish Market. For a city that is located between the Sea of Marmara and the Black Sea, fresh fish is an essential part of Istanbul's culinary culture. Sample seafood specialties as you see locals carefully selecting from the day's catch.

Your guided walk will end at *Firuze*, a modern Turkish restaurant that sits on the top of the Istanbul Foundation for Culture and Arts with spectacular views of the glittering Golden Horn and surrounding city. Here restaurateur and sommelier Cihan Demir will introduce you to Turkish wines. Cihan is a French-trained wine educator with experience throughout Europe and a deep knowledge of Turkey's best wines. He will present a splendid five-course meal of traditional yet inspired Turkish cuisine paired with five of his favorite Turkish wines, representing several colors and styles. The evening ends with an escorted drive back to port to rejoin the ship. Alternatively you can continue the festivities on your own to enjoy Istanbul's vibrant nightlife.

Per Person Price: $265 per person

Tour Includes: English-speaking guide, transportation, wine-paired dinner, and all local taxes.

Not Included: Gratuities for driver or guide and all items of a personal nature.

Activity Level: Extensive walking and standing during guided tour, at times over uneven surfaces. Wheelchairs not recommended. Inform your Travel Advisor of any mobility issues.
