

FOOD & WINE TRAILS OPTIONAL PRE-CRUISE PROGRAM & EXCLUSIVE SHORE TOURS

Food & Wine Trails invites you to visit the glamorous city of Nice and the nearby Bellet wine region with your *Patz & Hall* fellow cruisers and host James Hall, Winemaker, as part of our special two-night pre-cruise program.

A region's food and wine gives much insight into its land and culture. This is no truer than in France, home to many of the world's finest chefs and wineries. Food & Wine Trails has unique culinary contacts around the world that give us the inside connections we need to offer exclusive pre-cruise land programs, specifically designed for the food and wine lover.

The pre-cruise package includes two nights' hotel accommodation in Nice in a charming boutique hotel centrally located on the Promenade de Anglais and facing the Mediterranean Sea. You will enjoy a welcome dinner upon arrival, a winery tour and tasting in the Bellet wine region, a wine-paired lunch, and a walking tour of Old Nice with a wine and cheese pairing. On the final day you will transfer as a group to the pier in Avignon where you will board Uniworld's SS Catherine and continue your journey.

During the cruise, you'll have the option to discover two of France's prominent wine regions on two exclusive shore tours. On your first tour from the port of Avignon, you will travel to the renowned French appellation, Châteauneuf-du-Pape, to visit two outstanding wine estates. Guiding the tour is our super-star, American-born sommelier who is one of the top experts on Rhône Valley wines. On the second tour out of Mâcon, you will visit a quaint goat cheese farm, enjoy a truffle hunt and wine-paired lunch at truffle farm, and visit a traditional winery estate where you can sample wines from such appellations as Pouilly-Fuissé and Saint-Véran.

The pre-cruise and shore tours are available exclusively to the guests of *Patz & Hall*. Enclosed you will find the full tour descriptions, tour registration forms, and comments from past cruisers praising Food & Wine Trails tours as "the highlight" of their trip.

We highly recommend booking early as tours are limited in capacity and tend to sell out quickly!

THE CÔTE D'AZUR'S CHARMING NICE & THE WINES OF BELLET

NICE, FRANCE | 2-NIGHT PRE-CRUISE PROGRAM | OCTOBER 18 - 20, 2019

Before you board the cruise ship in Avignon, we invite you to spend two-nights in the Côte d'Azur's charming city of Nice and explore France's smallest appellation located in the wine region of Provence, *Bellet*.

The Côte d'Azur, also known as the French Riviera, is one of Europe's most glamorous summer holiday destinations. It twists and turns along the southern coast of France for a little less than 100 miles, and is dotted with glitzy legends such as St. Tropez and Cannes. The heart of the Côte d'Azur lies in the city of Nice and in the hills just behind is the appellation of *Bellet*. Here the vineyards are terraced and the soil is full of pebble stones, sand & clay. The area is kissed by the sun and benefits from fresh winds from the Alps and, in the afternoon, humid winds from the sea.

THE CÔTE D'AZUR

One of the first regions in France rewarded with the AOC in 1941, *Bellet* consists of only 1,600 acres, 120 of those are grown between 650 -1,000 feet above sea level. Today there are eleven producers who proudly claim to bottle an AOC *Bellet* wine. Many are family-owned and operated small boutique wineries with an annual output of less than two hundred thousand bottles a year. Despite their small size these wineries have been gaining international recognition for years - *Bellet* wines were served at the royal wedding of Prince Albert of Monaco in 2011.

Guiding you through this region is our long-time friend and Provence wine specialist, Laurence, who has called France her home for over 20 years. Laurence has come to know many of the region's master chefs and vintners, enabling her to introduce you to the region's best restaurants and vineyards.

WESTMINSTER HOTEL & SPA

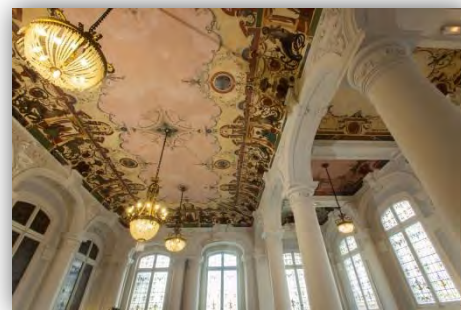

DAY 1 – INDEPENDENT ARRIVAL TO NICE & WELCOME DINNER [D]

You will arrive in to Nice independently and transfer on your own to the *Westminster Hotel & Spa*. Only 15 minutes from the *Nice International Airport*, the 4-star hotel is located on the *Promenade des Anglais* and offers wonderful views of the Mediterranean. The *Westminster* was built in 1878 and is still owned by one of France's top 500 fortune families. A perfect blending of 19th century architecture and art deco style, decorations include beautiful frescoes, mosaics, and paintings, while guest rooms are contemporary and comfortable.

Once you check in to your room you'll have time to relax before you meet Laurence and your fellow travelers that evening in the hotel's *Belle Epoque Room* for a private welcome dinner paired with local *Provençal* wines.

DAY 2 – THE APPELLATION OF BELLET [B, L]

Your day starts with a delightful buffet breakfast at the hotel restaurant. After breakfast, board a luxurious motor coach and travel approximately 30 minutes to the *Château de Crémât*. Built in 1906, the troubadour-style château overlooks acres of vines planted on small, terraced parcels. Built on top of underground galleries dating back to Roman times, *Crémât's* cellars once served as storage for Roman garrisons. The crenellated towers, reminiscent of those Roman troops, create an interesting counterpoint to the elegant stained-glass windows that adorn the château.

BELLE EPOQUE ROOM

CHÂTEAU DE CRÉMÂT

Appearing throughout the property, you will notice the famous interlocking C's, a logo that *Coco Chanel* fell in love with during her frequent stays here in the 1920's. The logo was gifted to Coco by the château's then-owner, an American socialite who hosted spectacular parties for an international jet set, and now that famous logo belongs exclusively to Chanel. After changing hands a few times, the château is now owned by *Cornelius Kamerbeck* and the estate's wines are adorned with his initials.

After a tour of the château and its cellars, you will take a short drive to one of our favorite nearby restaurants for a wine-paired lunch. In the mid-

afternoon, you'll return to the hotel and have free time to spend on your own.

In the early evening you'll meet up with Laurence and the group for a walking tour of *Old Nice* that ends with a wine and cheese tasting in the city's oldest wine cellar, the historic *Cave Bianchi*. Located in the 17th century underground vaulted cellars of the *St. Dominique cloister*, *Cave Bianchi* is considered by many to be one of *Nice's* best kept secrets. It's one of the oldest wine shops in the region. Greeted by the charismatic owner, you'll enjoy a tasting of fine wine paired with a selection of local cheeses.

At the end of the tasting, you are free to return to the hotel at your leisure or stop in one of the many restaurants along the way to sample some local flavors during dinner on your own.

CAVE BIANCHI

DAY 3 – OPTIONAL TOUR OF FLOWER MARKET & TRANSFER TO SHIP [B]

Enjoy a buffet breakfast at the hotel and check out of your room. You can store your bags with the hotel and either enjoy the morning on your own or join Laurence for a tour of the flower market in old-town Nice. Before noon you'll board the motor coach for the approximately three-hour transfer to Avignon to board the ship.

CHÂTEAUNEUF-DU-PAPE & THE SOUTHERN RHÔNE

PORT: AVIGNON, FRANCE | MONDAY, OCTOBER 21, 2019 | 11:30 AM – 6:00 PM*

VINEYARDS OF CHÂTEAUNEUF-DU-PAPE

The Southern Rhône offers an impressive array of world-class wines. From the rich reds, to fresh whites and elegant rosés, there is something for everyone. This morning you will have time on your own to visit Avignon and the Popes' Palace before being escorted north by private coach. Your guide for the afternoon is an American-born and French-trained superstar sommelier. His goal will be to educate you and your palate on what makes Châteauneuf-du-Pape such a classic wine region. In the process

you will also discover a couple lesser known regions often kept secret by the locals: Lirac and Tavel.

The first stop will be for lunch, served at nearby chef-owned restaurant. The menu, made with fresh ingredients and full of flavorful foods, is paired with a selection of regional wines.

After lunch you will visit the highly respected, award-winning, *Domaine de la Janasse*. With wines consistently rated in the 90s by *Wine Advocate* and *Wine Spectator*, Janasse, has become synonymous with excellence in the wine world. You will enjoy a tour then taste a range of their best wines.

Your next winery stop is *Domaine de la Mordorée*. This relatively recent estate was founded by the Delorme Family in 1986 with only 12 acres of vines in Châteauneuf-du-Pape. Today they make wines from over 120 acres of vineyards over 38 plots and 5 appellations. Here you will discover more in depth the terroir of their appellations, their unique approach to winemaking and most importantly, their delicious wines! Your guided tasting will cover a selection of their best reds, whites and rosés from Châteauneuf-du-Pape, Lirac and Tavel which is considered by many as the best rosé in France. Following your tasting you will return directly to the ship.

MÂCONNAIS MEETS BEAUJOLAIS

PORT: MÂCON (BEAUNE), FRANCE | SATURDAY, OCTOBER 26, 2019 | 9:15 AM – 4:15 PM*

The town of Mâcon enjoys a unique location in Burgundy as its southern most region while simultaneously overlapping the northern part of the Beaujolais region. This tour is designed to show you both. As you explore the Mâconnais region, you will have the opportunity to taste some excellent white wines from prominent appellations such as Pouilly-Fuissé and Saint-Véran. Often overshadowed by the whites from the Côte d'Or to the north, these wines offer enormous value. Due to Mâcon's proximity to Beaujolais, you will also experience the vivid and fresh reds from the Gamay grape that has become synonymous with this region.

Start with a scenic motor coach drive as you meander through the Mâconnais countryside on your way to the village of Lys, where you will arrive at your first destination, a goat cheese farm, *Chevrerie la Trufière*. Here the farmer will guide you through a tasting of their handcrafted cheeses.

A short drive brings you to your second stop, an organic farm specializing in truffles - *Le Cos Piguët*, where owner Olivier Devevre will welcome the group for a truffle hunt demonstration. After the truffle hunt, a wine-paired lunch will be prepared on-site and will feature the farm's products, including their prized truffles. Joining the group for lunch will be either Xavier or Kerrie de Boissieu, the 13th generation proprietors of nearby *Château de Lavernette*, who will provide a guided tasting of five of their wines during lunch. Bordering both the Mâconnais and Beaujolais, the estate produces excellent Chardonnay and Gamay-based wines from the Pouilly-Fuissé and Beaujolais appellations and utilizes both biodynamic and organic growing practices.

A MÂCONNAIS TRUFFLE HUNT

CHÂTEAU DE FUISSÉ

After saying goodbye to Cos Piguët, depart for the village of Fuissé which has given its name to the famed Pouilly Fuissé AOC. Mme Vincent, the owner of the *Château de Fuissé*, will welcome you to her impressive estate. After a stroll through their emblematic vineyard "Le Clos," solely owned by the Vincent Family, and a visit of their cellar you will enjoy a tasting of their wines in one of the chateau's 15th century rooms before heading back to the ship.

Per Person Price: \$325 per person

Tour Includes: English-speaking guide, transportation, bottled water on the bus, all entrance and tour fees, winery tours, tastings, lunch served with wine and all local taxes.

Not Included: Gratuities for guide and driver.

Activity Level: Medium - extensive walking, at times over uneven surfaces. Wheelchairs not recommended.
