FOOD & WINE TRAILS' PROGRAM

Q: What is included with the Food & Wine Trails Wine Cruise?

A: The Food & Wine Trails (F&WT) Wine Cruise includes two programs rolled into one. You have all the onboard entertainment and creature comforts of a deluxe cruise, plus a private-to-the-group, educational wine program with private parties, tastings, seminars and a winemaker's dinner in one of the ship's specialty restaurants. Only wine served at exclusive group events is included with the program.

Q: Will there be any pre-cruise organized package offered to the group?

A: In general, F&WT wine cruises embarking in the cities of Barcelona, Rome, Lisbon or Athens will have the opportunity to purchase an exclusive two or three night program highlighting the wines and foods of that particular region. To confirm if a pre-cruise package will be offered on your specific wine cruise, please check the Itinerary page on your cruise's web page on www.foodandwinetrails.com. A completed Registration Form and full payment will be required to book space for the pre-cruise program and it is sold on a first come, first serve basis. Your Travel Consultant will be able to give you an idea when the package will be available for booking.

Q: Will there be special shore tour opportunities available only to group members?

A: Yes. Depending on the length of the cruise and the itinerary, there will typically be two or three optional shore tours available exclusively to the group. Our tours greatly differ from the normal cruise line shore excursion because each are designed specifically for the food and wine enthusiast, to access the best in the region, and to reflect authentic local terroir. That means we work with small family suppliers, and take you to places not normally visited by large groups. This forces us to keep our groups small, which also means they tend to sell-out quickly. The tours available to your specific group will be available approximately four to five months before departure and released to all group members via email and or US Mail. A completed Registration Form must be submitted with payment and subject to availability.

Q: What options are available if the group's shore tours are sold out?

A: Food & Wine Tours shore tours are limited in size for small, intimate groups and may not be able to accommodate all group members. If a tour becomes sold out, we can offer the following three options:

1. **Waitlist:** We will accept a limited number of registration forms for people who wish to waitlist for a tour.
2. **Custom Shore Excursion:** As we have a wide network of food and wine specialists all over the world, we can arrange for a private excursion for you and your friends in many European, Australian or New Zealand ports of call. Discuss the possibility of a private excursion with your Travel Consultant.
3. **Independent exploration:** Your cruise with Oceania includes access to port-specific information, including information about local attractions, dining, and entertainment options. This information is provided from the cruise line upon boarding.

Q: Can I bring bottles of wine onboard the ship and is there a corkage fee for F&WT Group Members?

A: Guests are limited to bringing three (3) bottles of wine per stateroom at embarkation or in any port of call to enjoy in their stateroom or suite with no corkage fee. Guest wine bottles opened in any public venue will be subject OCI's standard corkage fee. F&WT's group members are entitled to a discounted corkage fee of \$15 per bottle, but must identify themselves at the time of service. Discounts will be applied to the guest's shipboard account on the last night of the cruise and appear as a credit.

AIR

Q: What type of air flights and services are included in the cruise fare?

A: Oceania Cruises (OCI) contracts with major domestic and international airlines to secure Economy, Business and First Class air schedules for their cruise guests. The free air included in the cruise fare is in economy class on the cruise's departure and return dates from select gateway cities only. Supplemental fees may apply from over 100 non-gateway cities. These flights are often scheduled with multiple carriers and connections and arrangements, and are released to passengers 30 days before departure. Please ask about prices to upgrade to Business and First Class seating or how to extend your vacation travel dates.

Q: Can I request a specific flight schedule from the cruise line?

A: Yes. Your Travel Consultant can submit a request to OCI to customize or deviate your flights. Please email your desired dates of travel and departure city to your Travel Consultant. A non-refundable air deviation change fee of \$200 per person will apply and must be paid at time request. The cruise line's Air Department will send a proposed schedule to your Travel Consultant within three to four days, which will be forwarded to you for approval. Additional costs may apply and vary based on the airline and date.

Q: When can I select my airline seat or submit a special request to the airline?

A: Any pre-flight arrangements, such as seat assignments, frequent flyer details, wheelchairs, oxygen, special meals, or other requests may be made directly to the airlines. Guests are not allowed to use frequent flyer memberships or apply past traveler discounts to any air ticket issued by OCI's Air Department.

Q: Can I make independent air arrangements?

A: Yes. Your Travel Consultant may assist you with your purchase of independent air tickets. If you elect not to use the free air tickets provided by OCI, the price of your cruise fare will be reduced by a specific dollar amount called an air credit. The amount of the air credit is listed on the cruise registration form. OCI reserves the right to withdraw or change the air and air credit offer at any time.

Q: What are the 26 gateway cities included in Oceania Cruises' Air Program?

A: Atlanta (ATL)	Honolulu (HNL)	Orlando (MCO)	Seattle (SEA)

A: Infants less than six months of age are not allowed to travel on OCI vessels. All guests under the age of 18 must be accompanied by and occupy the same stateroom or suite as an adult 25 years or older.

Administrative fees and service charges will vary and are based on the type of change to your reservation including but not limited to name and air schedule changes.

Q: Do I need travel insurance?

A: F&WT strongly recommends you purchase **Allianz Travel Insurance**, or comparable travel insurance covering supplier default, full medical expenses, medical evacuation, travel delay, cancellation and loss. It is our policy to send every traveler a travel-insurance brochure, so please contact us immediately if this is not received. Be advised that pre-existing condition coverage requires insurance purchase within 14-days of deposit payment. Note that by not purchasing insurance, you assume all risk of loss. Insurance must cover all trip components to be valid. Insurance can only be refunded within 10-days of its purchase if done in writing.
