## FOOD & WINE TRAILS OPTIONAL AFRICA PRE-CRUISE PROGRAM

Food & Wine Trails invites you to experience the sights and sounds of Africa like you never have before, with **two** exciting pre-cruise options! Join *Corner 103* host, Lloyd Davis and your fellow cruisers in January 2021 for what will be a truly unique and unforgettable journey.

A region's food and wine gives much insight into its land and culture. This is no truer than in Africa, home to a rich variety of foods from indigenous dishes to fusion cuisine; as well as remarkable wines. Food & Wine Trails has unique culinary contacts around the world that give us the inside connections we need to offer these exclusive land programs, specifically designed for the food and wine lover.

*Corner 103's* pre-cruise South Africa program has two options: the first begins at one of the Seven Wonders of the World: Victoria Falls, Zimbabwe. Stay at the renowned Victoria Falls Hotel, just steps away from the mighty falls. The package includes two nights' accommodation along with a traditional "Boma" welcome dinner, guided tour of the falls and the local area, daily breakfasts, and a special seven-course tasting menu in the hotel's restaurant, Livingstone Room on the second evening. On the final day you may choose to extend your stay or continue your adventure with *Corner 103* and transfer to the second pre-cruise option: Mala Mala Camp and Game Reserve for a thrilling safari!

As one of Africa's most historic and prominent game viewing reserves, Mala Mala shares a border with Kruger National Park, home of the "Big Five" and an impressive array of other wildlife. Mala Mala Camp will be your African home for three nights and is celebrated not only for its scenic location by the Sand River, but its luxurious, all-inclusive, five star accommodations. This is safari done right: daily guided expeditions into the African bush to discover the wilds, relaxing afternoons spent by the pool, and sumptuous wine-paired dinners each evening.

The Victoria Falls and Mala Mala pre-cruise tours are available exclusively to the guests of *Corner 103*. Each tour may be booked individually, or, you may participate in both pre-cruise options. Enclosed you will find the full tour descriptions and travel dates, tour registration forms, and comments from past cruisers praising Food & Wine Trails tours as "the highlight" of their trip. We highly recommend booking early as tours are limited in capacity and tend to sell out quickly!

# VICTORIA FALLS EXPERIENCE – “MOSI-O-TUNYA” (SMOKE THAT THUNDERS)

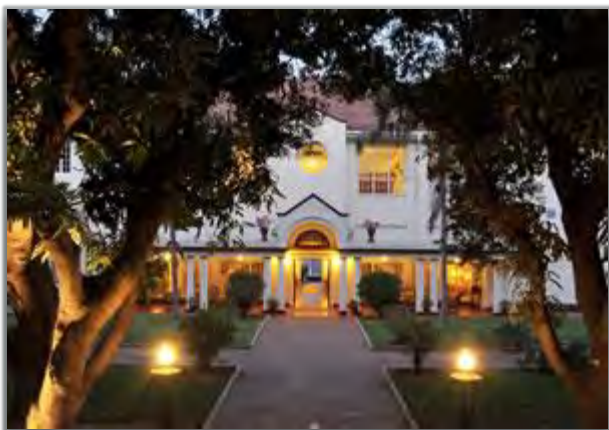

VICTORIA FALLS, ZIMBABWE, AFRICA | 2-NIGHT PRE-CRUISE PROGRAM | JANUARY 13-15, 2021

**This special Corner 103 pre-cruise program is being offered strictly on a space available basis.**

The breathtaking Victoria Falls, a “Natural Wonder of the World” straddles the Zimbabwe and Zambia border and is not to be missed on a visit to Africa! If you’ve been to Niagara Falls, you’re in for a huge surprise when you go to Victoria Falls. At over twice the height and several times longer than Niagara Falls, Victoria Falls easily bests its North American foe at a whopping 355 feet high and 5,604 feet wide.

From a relaxing canoe trip down the Zambezi to shopping for local handicrafts or getting a history lesson on David Livingstone, there are many exciting ways to enjoy this stunning area. You’ll be seeing the Falls at its full potential and you’re almost guaranteed to get wet from the spray during this time of year, if that’s your thing.

You’ll be staying at the Victoria Falls Hotel, popularly known as “the Grand Old Lady of the Falls”, which is situated in the Victoria Falls National Park, and is a member of the exclusive Leading Hotels of the World group.

The Edwardian-style five-star hotel, built in 1904, combines the charm of the old with the convenience of the new. Set in lush tropical gardens with lily ponds, palm trees and semi-tropical shrubs. The famous Victoria Falls are just a ten-minute walk away using the hotel’s private pathway, and is clearly audible and visible from this luxurious landmark.

World-class service, food and beverage are second to none, drawing international visitors and locals alike.

But it is the Victoria Falls that remains the major attraction for visitors. Waking up to the sound of “the smoke that thunders”, seeing the sun rise beneath the mist of one of the seven natural wonders of the world and the lunar rainbow at night, all the while soaking up the history and ambience of a bygone era, is more than unforgettable – it is unique.

**SUGGESTIONS FOR INDEPENDENT ARRIVAL IN JOHANNESBURG (FLIGHTS ARE NOT INCLUDED IN PRICES. SEE REGISTRATION FORM)**

**2021 flight schedules and costs are not available until 330 days prior to departure. Our travel advisors will work with you on booking the best available flights and schedules for your requirements.**

If your U.S. flight does not connect with the flight to the Victoria Falls airport, you may need to arrive in Johannesburg independently and overnight there. We are looking into obtaining special rates for accommodation in Johannesburg. You may add this later after you receive your flight information (we will send out a separate registration form for this independent hotel night(s) once the rates are confirmed).

**DAY 1 - JANUARY 13, 2021 | [D] ARRIVE IN VICTORIA FALLS | THE BOMA – CULTURAL DINNER, DANCING AND DRUM SHOW**

Upon arrival at the Victoria Falls airport you will be transferred to the five-star Victoria Falls Hotel. Get settled in and enjoy the remainder of the afternoon on your own.

This evening the group will enjoy The Boma - Cultural Dinner, Dancing and Drum Show. Described as an unforgettable African experience infused with Zimbabwean cuisine, spirited performances and traditional storytelling, The Boma - Dinner and Drum Show has firmly established itself as a Victoria Falls highlight. Partially open to the skies, The Boma specializes in a superb selection of Zimbabwean dishes. A four-course meal combines a choice of starters with a barbecue buffet. The adventurous are enticed with local delicacies such as potjiekos (hunter's game stew), while those wishing to enjoy beef, pork, fish and chicken or a variety of vegetarian meals are welcome to do so. We have added a premium beverage package for the Corner 103 guests. The sights and sounds of the evening are accentuated by a feast of entertainment.

**DAY 2 – JANUARY 14 , 2021 | [B / D] VICTORIA FALLS TOUR | LIVINGSTONE ROOM GOURMET WINE- PAIRED DINNER**

Enjoy breakfast in the hotel and then you will meet your guide in the lobby for a two-hour Victoria Falls tour.

Gain greater understanding and appreciation of this World Heritage Site on a 2-hour guided tour of the falls, which includes a walking safari and information about the history and local wildlife of the area. Take time to enjoy iconic views of the falls from vista points along the way. Raincoats will be provided for protection from the mist. The remainder of the day you are free to explore Victoria Falls on your own.

This evening enjoy dinner in one of the world's most distinguished restaurants: the elegant Livingstone Room, where a 7 course degustation menu paired with award winning wines will delight you. While the Livingstone Room reflects the century-old hotel's spirit of grandeur and opulence, the dress code has been relaxed for the modern era and convenience of guests. Jacket and tie are not required, however, dress code is still smart-casual.

After dinner there is nothing more relaxing than a drink at Stanley's Bar. Enjoy the hotel's famous cocktails while absorbing the magic of this special place.

**DAY 3 – JANUARY 15, 2021 | [B] – DEPARTURE**

After an early breakfast, if you are continuing on to the Mala Mala Game Reserve, you will be transferred across the Zimbabwe border to the Harry Mwanga Nkumbula (Livingstone) Airport in Zambia for a direct flight to the Kruger Mpumalanga Airport in South Africa. This evening you will be welcomed with dinner and entertainment around a blazing fire in the reed-enclosed boma (African structure).

**DAYS 2 & 3 – JANUARY 16 & 17, 2021 | SAFARI DRIVES [B, L, D]**

Your days spent on safari can be as active or as relaxed as you wish. A typical day starts with the rising of the sun where freshly made tea, coffee and muffins will be waiting for you. Afterwards, depart on an early morning game drive with your expert ranger guides. The best time of day to enjoy game viewing is in the early morning and late afternoon as most animals rest during the heat of the day.

Having spent the morning exploring the surrounding wilderness in search of hidden treasures, you will return to camp for a wonderful lunch. Just as the animals retreat to escape the heat of mid-day, so will you. Afternoons are your time to enjoy reading, relaxing, chatting with your fellow travelers, or taking a nap.

Later in the afternoon you will head out into the wilderness once more as the animals awake from their days slumber and gather at the watering holes to quench their thirst. As the sun sets on the horizon, marvel at the sheer splendor of an African sunset and with refreshments in hand, toast to the wonder of nature!

Upon your return to camp, enjoy a dinner fit for royalty and served against the magical backdrop of the African night sky. Retreating to the comfort of your room after enjoying a nightcap around the campfire, you can fall asleep to the calls of the African wild - the evocative 'oop oop' of the hyena and the roar of a lion.
